INVITATION

The Faculty of Technical Sciences of Bitola at the University "St. Kliment Ohridski" of Bitola is organizing the 4th International Conference "Transport for Today's Society" - TT'S 2025 to be held from April 23 to 25, 2025, at the Faculty of Tourism and Hospitality in Ohrid, Republic of North Macedonia.
The International Conference "Transport for Today's Society" - TT'S 2025 will be attended by: Traffic engineers, mechanical engineers, electrical engineers, as well as engineers from all professions, lawyers, economists, as well as all scientists and researchers who deal with solving problems in traffic and transport. To round out the event, I encourage national and local policy decision-makers, as well as those addressing traffic and transportation challenges on a global scale, to participate.
The conference will also be supported by the European Platform for Transport Sciences (EPTS), which will actively promote it internationally among its members and beyond.
The dynamic nature of networking, shared contacts, and experiences is further demonstrated by the fact that the co-organizer of the conference will be the CIVINET Croatia – Slovenia and JIE network, which will also host its annual meeting

See you soon in Ohrid.

PAPER PREPARATION

Original, previously unpublished papers with scientific and technical contributions are expected. Submitted and accepted papers will be issued in the Conference proceedings.

Every author can participate in up to two papers, (one as author and one as a co-author).

The entire correspondence will be conducted with first author of the paper. Each submission will be reviewed by two reviewers, (one from North Macedonia and one from abroad).

Apart of the Conference proceedings, a possibility will be offered for selected papers to be published in international scientific journal/s.

Under graduated students participate at the Conference through the poster presentation, (proposed and approved in collaboration with the mentor), which can be made by one student or a group of students.

Under graduated students need not pay the registration fee.
